Contests for Field Day

Our Field Day will be held June 5, 2010 in Jamestown. It was decided to hold an all day event with contests and the show. Each member is to go to the NJAA website www.njaa.info to choose three of their favorite contests. They are then to email them to Amy by January 31, 2010 so a list can be made for the advisors to review and plan the contests.
