  - ⇒ Genomic DNA tests (samples collected by chairman)
  - ⇒ Sale Catalog, advertising, DVAuction Live & individual videos
  - ⇒ Weight sheets emailed to all consigners after each weigh date

### Payments:

- ⇒ \$650.00 per bull is due when bulls are delivered
- ⇒ \$650.00 due January 1, 2022 with hard copy of registration.. Late fee of \$100/bull will be charged late payments and/or late hard copy of registration.
- ⇒ This is a total payment of \$1,300.
- ⇒ Vet expenses needed will be additional cost, on an individual basis and will be deducted from bull sale check.
- ⇒ Any leftover funds will be refunded to the consignors.
- ⇒ Commissions taken out sale day: NDAA (1%), Kist Livestock, & auctioneer.

*This is a great opportunity to promote your herd's genetics, give your bulls extra exposure and support NDAA!*

## Entry Info

- ⇒ Tattoo or freeze brand required
- ⇒ Limit 10 bulls per consignor
- ⇒ It is recommended that bulls be weaned by October 20th & vaccinated for 8-way , BVD / BRSV / IBR and PI3 / Red Nose
- ⇒ It is recommended that consignors take out insurance on their bulls.

## Sale Day:

- ⇒ Consignors will be responsible for insurance and health papers for foreign export.
- ⇒ Bulls with index ratio under 90 will **not** sell.
  - \* Index ratio is calculated as 1/2 gain, 1/4 yearling & 1/4 weight/day of age.
  - \* Consignors will be charged only for feedlot, vet, mgmt fee & weigh sheet expenses for bulls not making sale.
- ⇒ All guarantees are between consignor & buyer.
  - \* NDAA or the NDAA Bull Test Committee is not responsible for any disputes between buyer & consignor.
- ⇒ Minimum bid will be determined by BTC prior to sale day
- ⇒ Delivery is between buyer & consignor. Bull Test Committee may assist *if possible*.

## Advertising, videos, reports

- ⇒ All consignors have option to have bulls photographed by Will Bollum, Western Ag Reporter for special NDAA Bull Test edition of Western Ag Reporter
  - \* Photos will also be included in 2022 NDAA Bull Test Sale Book.
  - \* Contact Will Bollum for advertising rates.
- ⇒ Bull videos will be posted to DVAuction one to two weeks prior to NDAA Bull Test Sale
- ⇒ Weigh reports will be *emailed* for each weigh period.

## DNA Testing

- ⇒ Consignors are responsible for contacting BTC chair prior to startup weights if their bull needs to be tested for any genetic defects
  - \* If a bull is a potential carrier for any genetic defects, he must be tested.
  - \* If he tests positive, the bull is still eligible for the sale, but he will be indicated as a carrier in NDAA Bull Test Sale Book.
  - \* Bulls must be tested according to the American Angus Association for all other defects.
- ⇒ NDAA BTC has the right to screen bulls for soundness and/or disposition.
- ⇒ Any Consignor requiring special testing of a bull is required to contact BTC Chair two days prior to testing.
  - \* The consignor is required to be present at time of testing, as well as Co-Chair & Test Location Manager.
  - \* A \$50 fee will be charged if not done on a regular weigh day.
  - \* If done during one of the weigh days listed above, the fee will be waived.

## Awards

- ⇒ Top individual ADG & WDA awarded jacket.
- ⇒ Top individual ribeye & top marbling awarded trophy.

## Insurance & Liability

- ⇒ It is recommended that consignors take out insurance on their bulls.
- ⇒ Carlson Angus, NDAA Bull Test Committee & NDAA are *not* liable for death or injury.
